

Claudia has more than 13 years' experience in restructuring, corporate finance and lending both in the UK and Australia. Claudia holds a Bachelor in Economics (Hons) from Durham University (UK), a Certificate of Proficiency in Insolvency and is an Accountant with the Institute of Chartered Accountants of England and Wales.

Claudia has been working for Longreach Credit Investors for over 3 years, in that time Claudia has worked on providing innovative and timely debt solutions to a range of Australian businesses.

Claudia was with Ferrier Hodgson in Sydney before joining Longreach Credit Investors. Prior to that she worked with Deloitte in London, advising holders, sellers and buyers of non-core debt in de-leveraging, portfolio acquisitions, management and investment strategies. Seconded to Royal Bank of Scotland she worked on a number of restructuring solutions that included return to the core Bank, consensual exit strategy and debt for equity swaps. Prior to RBS, Claudia worked as a Manager in business restructuring and insolvency with BDO in London, specialising in distressed real estate.
