

Premjit is a Managing Director in the Sydney office of Fortress, which she joined in 2007.

At Fortress, Premjit has been involved in originating, evaluating, executing, managing and realizing exit of investments. This is across both primary investments and investments on the secondary market. Premjit has been involved with investments spanning the energy, health, resources, media, consumer finance and securitization sectors.

Prior to Fortress, Premjit worked at Morgan Stanley in London, focusing on high yield debt and special situations. Before Morgan Stanley, Premjit was with the Tillinghast business of Towers Perrin in Sydney and Boston, consulting to general insurance and reinsurance entities in Australia, the USA and Bermuda.

Premjit has an M.A. from the University of Cambridge where she read mathematics and an M.B.A. from INSEAD. Premjit is an Associate of the Institute of Actuaries, UK. She also serves on the Board of the Turnaround Management Association (Australia).
