

## **David Oakman**

David Oakman is a Managing Director with the 333 Capital group.

He has over 18 years' experience and has advised private equity, listed and unlisted corporates, private businesses and high net worth individuals. David enjoys the role of creating value for his clients by providing commercial advice and being trusted to lead and execute complex transactions.

In recent years, David has advised Greyhound Australia, Greyhound Resources, Ndevr, Connell Griffin, Infrastructure Advisory Group, Arborsafe and HPS Tech on their successful sale processes.
