

Keith McGregor

Keith McGregor is an experienced turnaround expert with a global network of clients and co-advisers built from more than two decades' experience leading and delivering operational and financial restructurings in advisory, Board/corporate and banking roles.

Keith assists organisations and their stakeholders in developing and implementing value preservation and creation strategies, from initial stabilisation, strategic options analysis, operational improvement and refinancing/financial restructuring.

Keith's client base primarily comprises private capital investors and corporates. He has also advised bondholders, senior lenders and various governmental stakeholders in cases in the US, EMEA and Asia.
