

## **Kellie Link**

Kellie Link is a Partner in Norton Rose Fulbright's Restructuring team.

Kellie's principal practice is insolvency and financial services litigation, advising on securities enforcement strategy and all forms of corporate insolvencies. She primarily acts for financial institutions, insolvency practitioners and large corporations, with experience in advising and conducting all aspects of corporate restructures and litigation. Kellie has experience in the enforcement of commercially sensitive matters, and advises her clients not only on their legal position and avenues available, but also works with them to manage brand and reputational risks.
