

## **Mick Calder**

Mick's measured and commercial approach has helped him manage some of Australian's most successful and complex business turnarounds and transformations. He has over 25 years' experience working with growth, transitioning and under-performing businesses and their financiers. As well as strategic advisory roles, he has held a number of hands-on leadership, operational and C-suite roles.

He was a Partner at KordaMentha and then PwC from 2008 – 2023, and is now the Founder of Sunnymead Advisory, an independent and specialist restructuring and turnaround firm.
