

Nicky Ogden

Nicky Ogden is a Director at KPMG.

Nicky joined KPMG in February 2025 after relocating from the UK, where she was a Director in Value Creation at Interpath Advisory. She has been involved in numerous restructuring assignments with a focus on turnaround and value creation. Nicky has also held roles in hospital transformation in the NHS and with Medtronic prior to joining KPMG.

Nicky brings over 20 years of industry and advisory experience in strategy, value creation, operational excellence, business transformation, and lean management across a wide range of industries and geographies, including 8 years in Healthcare/Lifesciences and 13 years in Automotive supply chain and manufacturing.
